The Miracle of the Quilts-Rising from the Ashes....by Fay Coats

August 4, 2020, a giant explosion rocked the city of Beirut, Lebanon flattening an entire portion of the city. Lutheran World Relief (LWR) has an active ministry among the large populations of Syrian and Palestinian refugees living there. 300,000 people were left homeless by the blast. Word was soon received that three of LWR 40 -foot shipping containers stored at the Port could not have survived. These containers held 22,000 quilts, 100 cartons of school Kits, 300 cartons of personal care quilts and 125 cartons of baby care kits. Pilgrim Lutheran Quilters received the news with sadness knowing that, in all likelihood, some of the quilts we had made and shipped had also been destroyed.

Barbara Brandt, who recently passed away, served as the Pilgrim Quilters leader until ten years ago when she and her husband moved to Bellingham. Some years before her departure Barb initiated the practice of group prayer before we began quilting. At the time, we were struggling with few volunteers and a lack of resources. At Barb's insistence prayer was a regular feature. Sure enough, things improved as word spread throughout the community about what the group was doing. Women from all walks of life started coming – some went to a church, some didn't. It didn't matter. We were united in making the most beautiful quilts we could with the resources we had. We prayed every time – simple prayers asking God to bless our work and guide the quilts we were making to get to people in need. When the time came for Barb to move, she sat us all down and told us the most important thing for us to do was to continue praying and we would be given what we needed. We have honored her wish. If we get caught up in our quilting and lose track of time someone, usually our current leader, Sharon Bray, says "It's time to pray, ladies".

Fast forward to this past fall. It was some time before LWR via their local partner, Anera, was granted access to the port, and against all odds, the containers were intact! It was then they learned, despite the magnitude of the blast, the seals on the containers held! Their placement in the port, inside a concrete storage building surrounded by other shipping containers, protected the LWR containers enough to even prevent chemical contamination. The quilts and kits have been distributed by this time; 24,000 people in desperate need have received supplies necessary to stay warm and have some of their other needs met. Our simple prayers to bless the quilts and guide them safely to their destination have been answered in a spectacular way!

January 2021 Message from our Pastor

Dear Pilgrims,

If your Christmas greetings were similar to the ones Anna and I received, we heard a lot of the letters echo the theme, "this has been a challenging year" in reference to 2020. All our lives have been disrupted by the pandemic. We have been dealing with isolation and social distancing for most of the year. Most of us know people who have been sick, some of us have been sick ourselves, and some of us know people who have died as a result of this virus.

As our calendar turned from the final days of 2020 to the opening days of 2021, I was reminded of the verses Paul wrote to the church in Rome, "We boast in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope, and hope does not disappoint us, because God's love has been poured into our hearts through the Holy Spirit that has been given to us. For while we were still weak, Christ died for [us]." (Romans 5:3-6, alt.)

Christ did not die of COVID-19. Christ died a death he chose. Christ died of crucifixion at the hands of the Roman government and the direction of the Jewish Temple leadership. Christ died because Christ took on our own sin to kill it on the cross so that Christ could open for us the way of salvation. Christ was willing to suffer and die on our behalf in order to give us life; not just a cure from a virus or any illness, but life that lasts eternally!

That reminds me of another verse, that just might make suffering through this pandemic bearable: "For this slight momentary affliction is preparing us for an eternal weight of glory beyond all measure, because we look not at what can be seen but at what cannot be seen; for what can be seen is temporary, but what cannot be seen is eternal." (2 Corinthians 4:17-18)

2020 is finally over. Many of us regard it as the worst year ever, yet even a bad year comes to an end to make way for a New Year. We welcomed 2021 with anticipation and hope, praying that it will bring an end to the pandemic and a return to normal life with the promise of a vaccine that will help us rid ourselves of the threat of COVID-19. However, we dare not put all our trust in the works of humans, regardless of how wonderful they may be. We will be disappointed when another virus comes along and creates another global catastrophe.

The only sure place to put our trust is in Jesus Christ, who makes all things new. As it says in 2 Corinthians 5:17; "If anyone is in Christ, there is a new creation; everything old has passed away; see, everything has become new! All this is from God, who reconciled us to himself through Christ, and has given us the ministry of reconciliation." (2 Corinthians 5:17-18)

Through this pandemic God is still at work. God is still bringing us peace, mercy, love, and salvation. God is still caring for us, and through the work of Jesus, our sins are forgiven. That good news should just about guarantee a happier new year! See you in church, even if it is online.

Peace,

Pastor Don Short

Landscaping Update

Many thanks to Pete Olsen, Stan Horst, Ernie Summers, Rick Bougher, and the entire committee who showed up December 19th to help place the boulders, donated by Ernie, to our new landscaping. A lot of prior work went into this portion of the project, and the committee is grateful for how well all the pieces fell into place! Pun intended!
