Our Soup & Bread Lenten dinners are suspended for the time being and will be replaced with a message on our Pilgrim FaceBook page. You will be able to watch it when it is convenient to you. We hope to be able to return to our wonderful Lenten dinners & fellowship next year!

And definitely pick up a copy of the Annual Report if you don't already have one. Thank you for your continued support of Pilgrim Lutheran Church, it's activities, and it's mission.

Women's Bible Study

At this time, we still plan to meet for Bible Study on February 20th, at 10 am, at the church. Please be flexible as our orders from the Governor may change. All Covid-19 protocols will be followed. Please bring your Bibles, and February's Gather magazine. Hope to see you there!

Saints vs. Angels Souper Bowl

It's getting crowded in the Narthex! Pilgrims have been bringing non-perishable people food, pet food, and more to the Narthex as part of our Souper Bowl Competition! The last day to bring items to the church for counting is Sunday, February 7th. You are also encouraged to donate \$\$\$ - every \$ counts as 1 pound! The Souper Bowl Trophy will be awarded to the winning team on Feb. 14! Remember that the real winners are all the people and animals that we are helping during these challenging times. Thank you Pilgrims!

Landscaping Progress

Aaron Stephens, with some help from Grandma and Grandpa Bougher, is working to prepare the garden beds around the church. He is pulling out overgrown shrubs, iris, and weeds, to make room for the new landscaping! Don't worry! He is saving some iris of every color to plant in the new beds! Thanks, Aaron! Photo Below & one more on page 4.

AED (Defibrillator) Education

On February 14, directly after our worship service, Linda Bork will be doing a demonstration on how to use the AEDs. They are located in our Narthex below the light switch for the sanctuary, and at the south end of the church near the Fellowship Hall. Please plan to stay and learn this important information so that we all know what to do in case of an emergency. It's a great way to **show some love** to your fellow Pilgrims on Valentine's Day!!

Happy
Valentine's Day!

LOVE!

February 2021 Message from our Pastor

Dear Pilgrims,

One of the gospel readings this month contains a healing story. It tells of how Jesus defeated disease and restored a person to health. It is a vivid reminder to me that we have been seeking the intervention of Jesus for nearly a year now regarding healing us from this dreaded COVID-19 pandemic. Far too many people have gotten sick, far too many people have died, and far too many lives have been disrupted by this virus. We continue to pray for an end to the pandemic, but month after month drags on and we are still encouraged to wear masks, practice physical distancing, and refrain from bodily contact with anyone except those in our own household. We want this pandemic to end, but we seem to be stuck with it for a while longer.

That does not mean God is not involved in bringing the pandemic to an end. I believe God provided the wisdom and knowledge for many scientists to develop the vaccines that have been released. Many people have been vaccinated and many more are hoping to be vaccinated soon. Some states have reduced the restrictions on businesses so that people are able to enjoy dining out together outdoors again. While it is too cold here to do that, I think it is a good sign that we are slowly turning a corner on this pandemic. We will get through this pandemic and God will see us through, because the Lord is faithful. Even if we have given up on God, there is no way God ever gives up on us, because, as Paul wrote to Timothy, "if we are faithless, he remains faithful—for he cannot deny himself." (2 Timothy 2:13)

Another example of God's faithfulness is our own congregation. Throughout this pandemic we have had faithful leaders who have planned worship and made accommodations so that the Word of God would continue to be provided and we would still have opportunities to worship. Throughout this pandemic your faithful leaders have developed ways for you to worship with us whether you are able to be in the building on Sunday morning or join us in our online worship webcast. Throughout this pandemic you have been faithfully following us in person or online, and that is something we will continue, even when we are no longer restricted by this pandemic.

For the foreseeable future we will continue to make worship accommodations to preserve your health during this pandemic. For instance, we are still not using the ELW's during worship. We are still requiring people in attendance to wear masks, and we still provide hand sanitizer in the narthex to ensure we are not sharing disease around the church. We will also make one more accommodation for you in our Ash Wednesday service. This year your pastor will impose ashes with a Q-tip instead of a finger, and if you are participating in worship online you will be asked to impose your own ashes. Ash Wednesday is February 17th, so if you need ashes for your worship at home, please stop by the church and pick some up. In the meantime, continue to pray for an end to this pandemic. Continue to pray for the health of your neighbors, friends, and family, and continue to pray for the will of God to prevail in our world. As Paul reminded the Thessalonian church, "16 Rejoice always, 17 pray without ceasing, 18 give thanks in all circumstances; for this is the will of God in Christ Jesus for you." (1 Thessalonians 5:16-18) I'll see you in church or online.

Peace,

Pastor Don Short

Personal Care Kits distributed by Lutheran World Relief are desperately needed in these trying times. The simple gifts of soap, towels, toothbrushes, combs, & nail clippers improve the standard of living for people around the world.</p> <p>Specifically, in the Andes, these kits are helping dairy farmers practice proper hygiene and, in turn improve their dairy products through sanitary milking practices. We can't control when disaster strikes, nor can we end poverty overnight, but we can gather these items to help people around the world reach their full potential.</p> <p>Worship & Music Comm. Will organize what we all donate of these 5 items, and the Sunday School kids will wrap them up and tie them to ready them for mailing. This project turns Faith into Action and will make a great impact on those who receive the Personal Care Kits. Thanks Pilgrims, and thank you Committees.</p>			<p>Personal Care Kit Supply List</p> <ol style="list-style-type: none"> 1) One lightweight bath-size towel 2) 2 bath-size bars of soap, any brand, in packaging 3) 1 adult toothbrush in packaging 4) 1 sturdy comb w/o packaging 5) 1 metal nail clippers w/o packaging

Volunteers Make Pilgrim Work

Your church depends on volunteers to function properly and currently we need volunteers for lots of positions including ushers, greeters, acolytes, sacristans, readers, and a reader board manager. Training WILL be provided. If you have any questions about these positions, or would like to volunteer, please call Pastor Don at 509-761-1212. Thank you.

Contemporary Service

January 31 was the 5th Sunday of the month. The worship committee has dedicated the 5th Sunday to a more contemporary service. James Thornton is bringing his guitar to play along with Pastor Short's. The music selection is geared to songs that lend themselves to guitar and the service is more relaxed. May, August, and October are months with 5 Sundays. If you have suggestions, and/or feedback regarding this new form of worship, please contact Fay Coats or Pastor Don.
